Dear Families,

The following Newsletter will be a short one. Please read through it carefully.

Harvest Fest Update

St. Priscilla Core Team's Harvest Fest is officially over. At this time I would like to take this opportunity to thank Ralph Kopkowski for chairing this event and members of the Core Team and Harvest Fest committee for all their hard work in planning this event. Many school and parish families, as well as, the community came to together to enjoy good food, music, and each other's company. Thank you to all the teachers and school families that donated items and/or volunteered to work Harvest Fest. It just goes to show what can be accomplished when everyone pulls together.

School Open House

As of this writing the lower level of school has not been done. The School Open House is cancelled for this coming Tuesday evening. Parents will have an opportunity to see the school improvements at our First Parent Teacher Conference scheduled for November 7th.

Thank you to all our families that have already turned in their raffle tickets. Remember that all families are responsible for these tickets as part of the 2008-2009 Tuition Agreement. Today we held the first drawing and the winners for 10-9-08 are: Ana Cozuc, Ralph John Begovich, Valerie Czarnik. Congratulations!

In closing, remember that the Church designates October as the month of the rosary. This beautiful devotion to the Blessed Virgin is one that can be said by the entire family. There is an old saying, 'The family that prays together stays together'. Perhaps in these difficult times, the recitation of the rosary might not be a bad idea.
