Fifth Sunday of Easter

May 2, 2010

“Behold, God’s dwelling is with the human race.”

— Revelation 21:3

May 2, 2010

OFFICE OF THE ARCHBISHOP

ARCHDIOCESE OF CHICAGO

May 2010

Dear Friends in Christ,

This month, we celebrate two significant events, one ancient, the other more recent in origin: the Feast of Pentecost and Mother's Day. On Mother's Day, we remember with gratitude those women who bring new life to the world and who are the hearts of our homes. On Pentecost, we recall and accept again the gift of the Holy Spirit into our hearts and to the whole world.

At this time, I ask you to remember in your prayers and in your charity those who will benefit from Catholic Charities' Mother's Day Appeal: the thousands of families and individuals throughout Cook and Lake counties who are suffering from the economic recession and who are turning to Catholic Charities of the Archdiocese of Chicago, as to a loving mother, for hope and assistance. This is the only parish collection during the year for Catholic Charities.

By working in partnership with numerous parishes and providing services that they cannot, Catholic Charities is able to assist more than a million of our neighbors in need each year. People of all faiths, families, children, seniors, the hungry and homeless, are helped through 159 different programs at 156 locations.

Today, in addition to needing food, clothing, and utility assistance, thousands of families and individuals struggle to stay housed. Many parents, including low-income mothers who are heads of households, have lost their jobs and live in fear of losing their homes or apartments. Many grandparents have seen their retirement income—and with it, their security—diminish significantly. Simply remaining in the places they call "home" has become a major concern for low-income families and elders.

Catholic Charities has developed an array of safe and affordable housing programs that honor and respect human dignity and preserve the sacred bonds of family. More than 1,500 independent elders with limited incomes live in Catholic Charities' 17 senior residences. The *St. Leo Residence for Veterans* houses formerly homeless veterans as they build new lives and careers; frail seniors in need of supportive housing are cared for in a pleasant community atmosphere; homeless parents and children live temporarily in Catholic Charities shelters; and a recovery program for women reunites mothers and children. Last year, the *Lake County Family Self-Sufficiency Program* assisted 678 low-income single parents and children with maintaining their housing, while they worked toward jobs, education, and stability for their families. These are just a few examples of Catholic Charities' fidelity to Christ's Gospel mandate (Matthew 25:34-45) to love and care for our neighbors.

I pray that the gifts of the Holy Spirit and the example of the Blessed Virgin Mary, Mother of the Church, inspire you and your families on Mother's Day and always. May God, who is never outdone in generosity, bless you for your support for the Catholic Charities of the Archdiocese of Chicago.

Sincerely yours in Christ

Francis Cardinal George, O.M.I.
Archbishop of Chicago

Religious Education News

The last class for Religious Education was on April 24th. We have had a very good year. I would like to take this opportunity to thank the parents and the children for all their cooperation during this past school year. Our attendance was at an all-time high this year, which tells us that both the parents and children know the value of religious education.

I would also like to thank the following people: Antoinette Sanders, Sister Agnes Frances, Yolanda Gomez, Mitch Luszczuk, Michelle Adamowski, Jessica Wojcik, Monica Wieczorek, Rick Hernandez, and Remigiusz Maciesek, for all their dedication and cooperation during the past year. We have an excellent group of people who have volunteered to give up their time to prepare for and come to class every week.

We hope you have a wonderful summer. Remember to go to church and receive the sacraments. We will see you next year. I will be sending letters out at the beginning of August to let you know about our program for the 2010-2011 school year.
