

# Reconciliation Matching Game

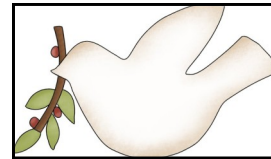

(page 2)

Laminatz and cut out ....storz in bag

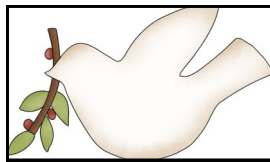

When the priest forgives our sins, it is called...

The words that we use when we talk to God. It can be memorized or you can use your own words.

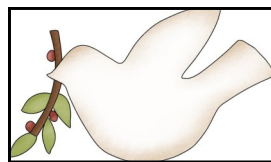

When you take something that is not yours.

To do something that is **not** on purpose.

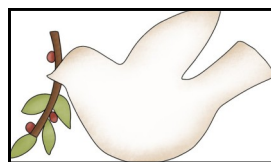

To do something by choice.

The prayer we say to the priest—it means to be sorry.

To feel very badly about something.

The symbol we use to start prayers. We start with our hand on our forehead, then the middle of our body, and last our shoulders.
