Dear Parents.

Welcome to the new catechetical year. Our hope is for every member of the parish to take advantage of the many opportunities provided to learn about the Faith. This handbook is being provided to give a general overview of the catechetical program at our parish for children in grades one through eight.

The catechetical staff wants to assist parents in developing the Catholic Faith of their families. It is primarily the responsibility of parents to pass on the Faith. In particular, parents are responsible for ensuring an active sacramental life and daily Gospel living. We also rely on you as parents to assist your children in the memorization of prayers and catechetical formulas and the telling of Scripture stories and lives of the saints.

An active sacramental life includes at least Sunday Eucharist and regular Reconciliation. The Celebration of the Eucharist is central to our Faith. As individuals and as a parish we need to be committed to participating at Mass every Sunday and Holy Days of Obligation. The opportunity for classes to participate in Mass and other liturgies will be announced throughout the year.

The Celebration of First Reconciliation and First Communion is usually in the Second Grade. Preparation for the sacrament of Confirmation is in Junior High.

If you have any questions or concerns after reading this handbook please contact me at the Religious Education Office.

God bless you and your family.

Sincerely ,

Mrs. Anna Harmata
Director of Religious Education

Introduction

Recognizing that parents are the primary religious educators of their children and that our role is one of assisting, not replacing, parents in teaching the faith to their children, the purpose of this handbook is to ensure that parents, students, catechists, and other volunteers understand the guidelines, rules, and policies of the religious education programs. This handbook is to help ensure that programs can run efficiently by providing pertinent information to all involved in these programs.

Admission:

Any school age K+ child of registered members of Saint Priscilla Parish should be enrolled in the Parish Religious Education Program. We will also accept children who may belong to other parishes.

Special Needs Students

It is the goal of the parish to provide religious education for every child in the parish. However, we are unable to offer a separate special needs program due to lack of resources. In some case, a child with special needs may be admitted into the regular class offered in our program. However, the parent may be asked to attend class with the child just in case of an emergency involving the child.

Registration and Tuition:

A general registration for Religious Education is held in August and September. The dates and times will be posted in the bulletin at least one month in advance and announced during the weekend Masses. The dates and times to register students will be posted on our website. During the year, parents of new students are asked to register by contacting the Religious Education Office which is located in the lower level of the school. The phone number is 773-685-3785. The tuition for classes is as follows:

1 child	\$160.00 for non-parishioners	\$190.00
2 children	\$240.00 for non-parishioners	\$300.00
3+ children	\$290.00 for non parishioners	\$380.00
Communion Fee	\$40.00 Confirmation Fee	\$80.00

The tuition can be paid in full at registration or in two payments by the end of October, additional installments are possible too.

Pre- registration for the next school year 2021/2022 will start in March.

Baptismal Certificates:

Students entering St. Priscilla Religious Education Program, those preparing for first Reconciliation, and first Eucharist. and Confirmation who were baptized *outside* St. Priscilla Parish, Chicago. are to present **a copy of a Certificate of Baptism** during registration. We also need a **First Communion Certificate** for children receiving the sacrament of Confirmation.

Involvement of Parents:

Since the fundamental building block of Church Parish life is the family, it is expected that parents will participate actively in their children's formal religious education. During the course of the school year, parents will be presented with opportunities to engage themselves in supporting the RE program and furthering their effectiveness as the primary religious educators of their children. Parents and children are expected to participate in weekend Liturgies.

Parents are asked to review readings and homework with your child. As their primary catechist. It is important to live, model and talk about your faith with your children. This will enrich them and you.

Parent as asked to read all text messages, emails, and correspondence sent home. Please ask your child if they have been given any notifications that they are to give their parents. These are ways for us to stay in touch. Also please check the parish website which also contains much information about the program.

Notification of important events and meeting will periodically be sent via email.

We invite parents to contact us with any questions or concerns. We will try to resolve any issues or concerns in a timely manner. Furthermore. parents re asked to notify the Religious Education office of any changes with emails,

phone numbers, addresses. or any other issue affecting the student so that we may keep our records up-to-date.

Attendance:

Please make every effort to have your child attend every scheduled class. Excused absences will be accepted with a written note or a phone call to the office. Your child may not miss more than five classes (**three classes for sacramental candidates**) in a single school year. Parents should communicate absences to the catechist or the Religious Education office. When a class is missed parents should obtain the lesson from the catechist and assist the child in completion of the lesson and returning it to the catechist the following week.

Classes meet every Saturday from 9:00 AM until 10:45 AM. Students are expected to be in their classrooms at 9:00 AM sharp ready to start class. Please do not drop your child off before 8:45 AM as there will be no supervision on the playground. We use the door that is furthest east in the school (the one closest to the park). The children should line up quietly and remain there until they are picked up by their teacher.

Books

Each student will receive a book that is included in the tuition. Students will receive their books in a folder with a copy of the prayers they are to know, a copy of the calendar, and the form or Reconciliation for them to use when we go to Confession. We will also provide whatever supplies the child may need for the class. If the book is lost or destroyed you will need to purchase a new book.

Early Release of a Student

Students are not permitted to leave early unless the parent has notified the office prior to the start of class on that day. Children will not be released until the parent comes to pick them up.

Food, Drinks, and Gum

Children are NOT allowed to bring any food or drinks to class. In addition, no gum chewing is permitted.

5. No piercing jewelry other than earrings.

Remember--if in doubt, wear something else! Students will be reminded of the rules once. If following these guidelines continues to be a problem the students will be referred to the CRE, who will set up a conference with parents.

Anti-Bullying and Zero-Tolerance Policy

Under the St. Priscilla's Religious Education Program's ZERO TOLERANCE POLICY, any threat by a student to inflict harm to the program, a catechist, fellow student, or self is interpreted as a serious offense and must be immediately reported to Mrs. Anna Harmata or one of the teachers. The program adheres to Zero Tolerance for any form of harassment, abuse, bullying, weapons, drugs, threats, gang affiliations, physical assaults, or fights. Under this policy, the student will be immediately suspended from attending classes and may be required to withdraw from the program. The parents will be notified and the incident will be documented and file.
