

## Religious Education Program at St. Priscilla Guidelines

### Some things we have in our plan:

- students in grades are divided into three tracks. Students will meet In-Person once a month. (each track meets eight times)
- modifying class schedule, students have 15 min for arrival procedure and dismissal after classes.
- conducting daily temperature scans upon arrival.
- practicing social distancing procedures in the classrooms and common areas.
- outlining our policies for the event of a COVID exposure in our reopening plan.

### Here are some of the measures we are implementing specifically at St. Priscilla:

- digital learning platforms to allow for better remote learning.
- cleaning volunteer teams to allow for cleaning and disinfecting of bathrooms and common areas used during the REP day.
- acquired needed supplies such as hand sanitizer stands and no-touch thermometers for the REP.
- worked with a task force of our teachers to improve and revise policies of our learning plan.
- continue to do so to ensure your child's safety, comfort, and social and emotional health.

We ask that you commit to in-person/online learning for the first semester of the school year, after which we can reevaluate.

Additionally, please know that an online and homeschool option for learning is available for those who wish for it.
